From

Inspector General of Education in Mysore,

To

Offg Secretary to the Govt of H. H the
Maharaja of Mysore,
General & Revenue Departments

SIR,

I have the honour to state that by Government Order No. G 4948-9 Ed dated the 5th April 1904, a scale of establishment and Scholarships at a monthly cost of Rs 125 for the Channapatna Industrial School was sanctioned and that the School was opened on the 10th February 1904. A sum of Rs 1000 is sanctioned and provided for the initial expenses of the school in the Budget of the Industrial and other Special Schools for the current year. Money is required for materials. I request therefore that a sum of Rs 600 may be sanctioned from the Savings

in the establishment charges and scholarships, of which only Rs 334-7-7 has been spent during the current year out of Rs 1500 sanctioned. The sum of Rs 1000 sanctioned for initial cost and the additional grant of Rs 600 now applied for will be utilized both for initial expenses and for purchase of materials and the actual apportionment of the total amount of Rs 1600 between the two items, will be reported to government after the expenditure is incurred. This arrangement will tend to facility of work as perhaps less than Rs 1000 may actually be spent on account of initial requirements and more than Rs 600 on account of materials. The favour of very early orders is requested as the official year is coming shortly to its close.

I have the honour to be
Sir
Your most obedient servant
